Personal Details

- Date of Birth- 06th August, 2003
- Nationality-Indian
- Permanent Address- Ranabagpur, Ghorgohal, Hooghly, 712414
- Languages known: English, Hindi, Bengali

Career Objective

I am a fast learner with a strong analytical mindset and effective time management and teamwork skills. Passionate about exploring data-driven technologies and continuously enhancing my technical abilities. I aim to apply my knowledge of Python, data handling, and problem-solving, along with my experience in building scalable applications, to support analytical processes and contribute meaningfully to data-oriented projects in a professional environment.

Education

- B. Tech, Computer Science & Engineering 2022-26
BRAINWARE UNIVERSITY, CGPA – 8.34/10
- 12th (Higher Secondary Examination) 2022
WBCHSE Board, 89%
- 10th (Secondary Examination) 2020
WBBSE Board, 79%

Technical Skills

- Programming Languages – Python
- Web Technologies –HTML, CSS, JavaScript, MongoDB, Tailwind CSS.
- Tools – GitHub, Vscode, Chrome, Figma, Power BI, MS Excel.
- Framework: React js

Internships

- **Web Development intern, Gameonix Ltd.** **May – July'25**
 - Worked on frontend development of a new portal using the MERN stack and react.
 - Used HTML, CSS, JavaScript, React, and Tailwind CSS.
 - Utilized Tailwind CSS to accelerate the development process and ensure consistent UI styling
 - Accelerated development using Tailwind CSS.

➤ **Tools used - GitHub, VScode, Chrome DevTools.**

- **Python Developer Intern**

April-May'24

- Completed internship tasks focused on Python programming and problem-solving.
- Worked with Python for basic data handling and numerical operations..
- Used GitHub for code sharing and collaboration.
- Learned basic concepts of NumPy and machine learning during training.

➤ **Tools used: GitHub, Visual Studio Code, Google Collab, Jupyter**

Academic Projects

- **NovaSphere AI – Power Chat Bot:**

Dec-Feb'25

- Developed an AI chatbot for real-time interaction using JavaScript and APIs.
- Voice Based on Speech Synthesis technology.
- Based on Html, CSS, JavaScript.
- Implemented a user-friendly UI with responsive design.
- Created for all devices responsive.
- **Live:** raktimvirtualassistance.netlify.app

- **Portfolio Website:**

Aug-Oct'24

- Designed multiple pages like About, Projects, Contact, and Skills section.
- Created a personal portfolio website to showcase my projects, skills, and experience.
- Built using React for dynamic components and Tailwind CSS for fast, responsive design.
- Features dark mode, smooth animations, and multi-page navigation.
- Tools & Technologies: React, Tailwind CSS, HTML, CSS, JavaScript, GitHub
- **Live:** raktimmondalportfolio.netlify.app

- **Image Search Engine:**

Mar -July'24

- Designed a clean layout using **CSS Flexbox & Grid** for image galleries.
- Implemented **loading animations** and error handling for better user interaction.
- Implemented **loading animations** and error handling for better user interaction.
- Deployed the frontend on **Netlify**, leveraging its CDN for smooth performance.
- Developed a responsive and modern UI using **React** for uploading images and viewing search.
- **Live:** raktimimage.netlify.app

- **Additional Projects:**

- Weather application with real-time API data fetching and UI design.
- Python number guessing game showcasing logic and control flow.
- Various small utilities and games that enhanced programming skills.

Trainings & Workshops

- **MERN Stack Development Training:** (Feb 2025- pursuing)
 - Gain knowledge of web applications using MongoDB, Express.js, React.js, and Node.js.
 - Actively explored and familiarized myself with modern web technologies.
 - Implementing authentication, state management, and database operations.
- **Defense Training (NDA):** (Feb 2021- Aug 2021)
 - Underwent NDA training, focusing on physical fitness, discipline, and mental toughness.
 - Gained teamwork, leadership, and resilience through rigorous preparation
 - Implementing authentication, state management, and database operations.
 - Cleared initial selection process but couldn't attend the exam due to academic commitments.

Achievements

- **HACKATHONS & COMPETITIONS:**
 - **Smart India Hackathon (SIH) – 5th Semester (*Sustainable Energy*):**
 - Participated with a team in SIH 2025, working on an innovative solution for sustainable energy.
 - Developed a prototype concept to optimize energy consumption.
 - Gained hands-on experience in problem-solving, teamwork, and rapid development.
- **COMMUNITY INVOLVEMENT:**
 - **Member | Google Developer Student Clubs (GDSC):**
 - Engaged in tech workshops, hackathons, and coding challenges to enhance development skills.
 - Collaborated with peers on open-source projects and contributed to the developer community.
 - Learned best practices in web development, problem-solving, and teamwork.
- **Runner-Up | College Gaming Event (Free Fire Tournament)**
 - Competed in a team-based gaming event, showcasing strategy, coordination, and teamwork.
 - Achieved runner-up position in the tournament.
 - Led the team with strategic thinking and a calm, focused mindset.

Extra-curricular Activities

- Led team coordination efforts in Smart India Hackathon 2025.
- Participated actively in competitive online gaming events.
- Demonstrated strategic thinking and teamwork skills through gaming.
- Volunteered at tech workshops to help others learn coding (like provide the resource).
- Promoted teamwork and collaboration in high-pressure environments.
- Member of college coding and development club (like GDSC & Flutter Kolkata).
- Attended workshops on web development and Python.
- Strong active listening skills used during team projects and peer support.
- Consistently demonstrated collaboration and teamwork.
- always focused on giving my best in group projects.

Hobbies & Interests

- Playing Indoor Games.
- Travelling.
- Reading Books.
- Exploring New Tech Tools.
- Volunteering.
- Group Sports.

Signature –

A photograph of a handwritten signature in blue ink on a light-colored piece of paper. The signature reads "Raktim Mondal" in a cursive, slightly slanted script.
